DRAFT_DFG_FWS_EPA_WRKSHP_1_090512.pptx

Hi Matt and Pat,

Attached is a draft presentation with a place-holder for Pat's slides. Once I get Pat's slides, I'll incorporate them. I'm sending this now just so you can see how I'm putting it together.

My slides still need editing (some suffer from too many words) and the most important slides, I think, are developing strong intro and final slides. I'll draft those after it's all together and then send them to you for your input, changes, etc...

It would be great if I could sit down with the two of you to refine the presentation. We could decide as a group how to optimize our strengths during the presentation.

Are the two of you around this week? Today is bad for me and so is Thursday. Wednesday and Friday are pretty open.

Erin,

I think these should be all the slides I need for the FWS portion of the
LSZ presentation.
